

Training for Voluntary and Community Sector Groups and Organisations.

In September of this year we are looking to introduce a new training programme aimed at benefiting Voluntary and Community sector groups and organisations.

These courses will be charged for at the rate of £30 per person. There are unfortunately no free volunteer positions available on these courses, as they are being aimed at assisting larger groups and organisations.

All of the courses will run from 10.00– 16.00. Please bring your own packed lunch as this enables us to keep our costs as low as possible. Please remember to park at the front of the building or in the multi-storey car park in the town centre as the council will issue parking tickets if you park in their car park.

Details of the courses we hope to offer can be found overleaf.

If you require further details , or would like a booking form then please contact us:
